DUO-2+2

DUO 2+2

The powerhouse Golf Electric Hospitality vehicles, provides your guests with a luxury experience they deserve when being transported around any function or gathering, particularly where the conditions are poor and the road or path surface is not the best

Keeping all of your guests together whilst transferring from one location to another makes for a friendly atmosphere and keeping the experience a pleasurable one. Designed for comfort with style and reliability as standard, the Powerhouse DUO-2+2 offers a no-nonsense solution to the transportation requirements for many years to come.
